## *The American Philatelist*

---

*The American Philatelist* is the official journal of the American Philatelic Society. The APS was founded as America's first national stamp society in September 1886. Its approximately 40,000 members live in more than 120 countries and are dedicated stamp collectors. In addition, the *AP* can be found on the shelves of several hundred libraries internationally and in the permanent collections of numerous stamp-collecting clubs and special-interest societies.

The *AP* is widely regarded as one of the premiere philatelic magazines in the world. When the *AP* received a International Gold Medal for philatelic literature at CAPEX 96, the World Philatelic Exhibition held in Toronto in 1996, it was the first time in more than a century that a periodical had earned a Gold Medal at an international show. This unprecedented success was repeated four years later when the *AP* received a second International Gold Medal at ESPAÑA 2000. A third Gold was presented to the *AP* at TEMEX in 2003.

### **Membership Requirement**

You must be an APS member in good standing in order to advertise. If you are not already a member, you may apply online, or we will be happy to fax or mail you a membership application.

## Deadlines

### Our Deadlines Are Firm

We take our deadlines seriously and we want our advertisers to take them seriously as well. It is extremely important to make sure your ad reaches us **on or before** the deadline date.

### Ad Space Reservations

If you are not a monthly contract advertiser, you **MUST** reserve your space by the 20th of the month, two months prior to date of issue.

### Digital File Deadline

The deadline for receipt of all digital ads, on disk or via e-mail, is the 25th of the month.

### Dated Ads

The magazine is mailed the last week of the month prior to actual date of issue. Most members receive their AP the first week of the month of issue. This is very

important to keep in mind if your ad contains dates (i.e., auctions, mail sales, shows, etc.)

### Cancellations

Cancellations are not accepted after the space reservation deadline. If your ad is not published due to non-receipt of materials, you will be charged for the space reserved.

### Publisher's Rights

We reserve the right to accept, reject, or modify at the advertiser's expense any or all advertising materials submitted to us. Such modifications shall not be cause for credit, refund, or adjustment on account of advertiser's dissatisfaction with the final printed advertisement.

## Other Advertising Opportunities

### Classified Ads

Classified ads are a time-proven, cost-effective way to reach APS members. Many dealers run classified ads year round in conjunction with their display ads.

To calculate the cost of your classified ad, you must first figure the number of lines your ad will require. One line equals 34 characters, counting all letters, numerals, punctuation, and blank spaces between words. Your cost will then be determined by the number of months you want the ad to run. Consult the table below to find your cost.

Advertising in *The American Philatelist* is open to **APS members only**. Please remember to include your APS number when submitting a classified ad. Unlike the display ads, classifieds must be paid in advance. *No change of copy. No refunds.*

Classified ad renewals are accepted by phone, fax, or e-mail if charged to your VISA or MasterCard. Please include your card number, expiration date, v-code, and your address. **We do not accept phone calls for placement of NEW ads.**

New classified copy must be submitted by fax, e-mail, or by writing to: AP Classifieds, 100 Match Factory Place, Bellefonte, PA 16823. Or you can use our easy online form at:

### Inserts

The *AP* can accommodate a variety of inserts. We offer the option of “bind in” or “blown in” inserts. Call us with details of your promotional piece, and we’ll be happy to provide further information and an estimate of the cost.

**If you are considering any promotional insert, it is strongly recommended that you phone for our specifications prior to having the insert printed.**

If your insert does not meet our specifications, we cannot be held responsible if problems arise during production. This can become very costly if the press must be stopped, as you will be charged for downtime. That’s why it is important to call us first!

### Online Dealer Mall/Rotating Banner Ads

Are you an APS Dealer Member with a website? By joining the APS Dealer Mall, your rotating banner ads will appear on several APS web pages, in addition to your listing in the Dealer Mall section. The low annual fee is \$120.

## Design Services

Our experienced staff of graphic professionals will be happy to help design your next advertisement.

### Sending Artwork

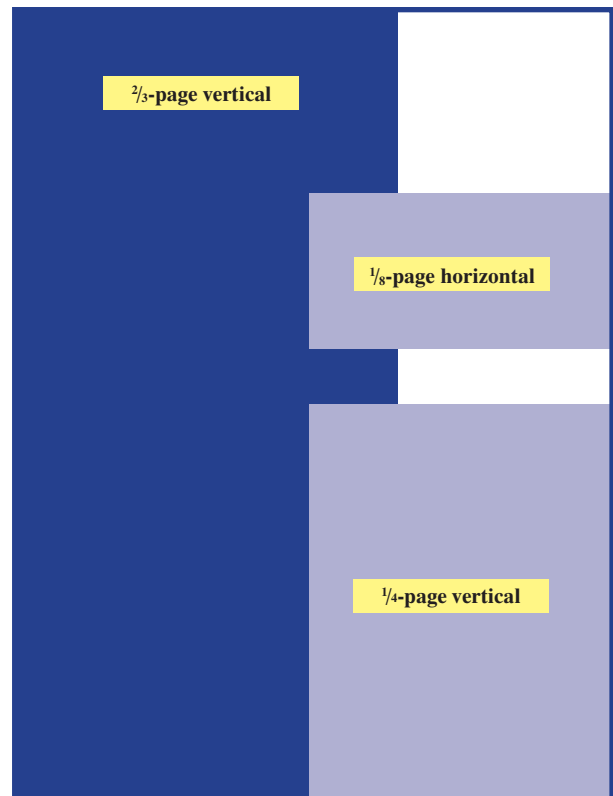

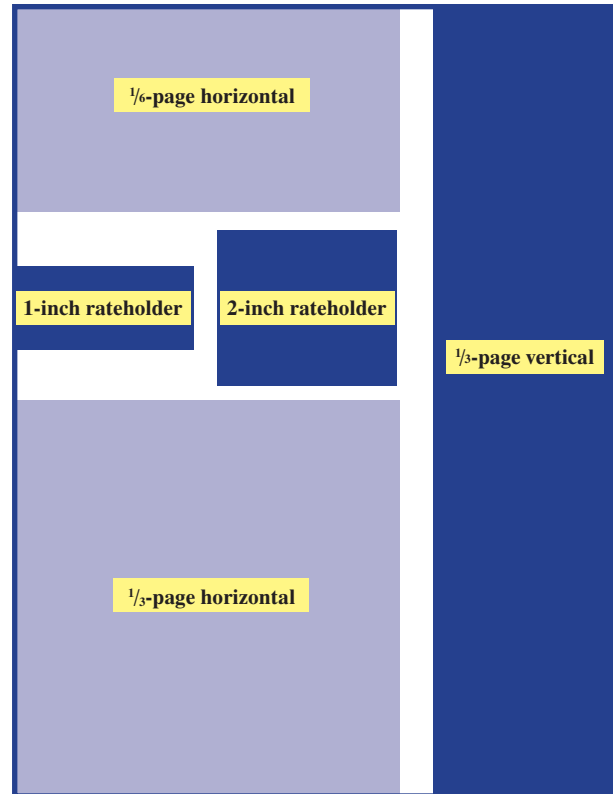

Please DO NOT tape or paste down items that must be scanned. If you want to include a suggested layout, please use photocopies of items, not the actual items that we must scan.

### Ad Proofs

Prior to publication, we will fax or e-mail you a proof of your ad. This is your chance to check the ad carefully for any errors. If we have made an error, we will provide a second proof at no charge. Time permitting, and upon request, additional proofs will be provided at the rate of \$5 per proof.

### Late Changes

It is extremely important to proof your ad carefully. Once the magazine has gone to the printer, it is very costly to make a change. The minimum charge to make late changes to a black-and-white ad is \$50; \$150 for a color ad change.
